94–102 cm (37–40 in)	M	38–40	38–40	48–50	L	180/96A	L–XL
102–112 cm (40–44 in)	L	42–44	42–44	52–54	LL	190/104A	XXL
112–122 cm (44–48 in)	XL	46–48	46–48	56–58	3L	195/112A	3XL–4XL
122–132 cm (48–52 in)	XXL	50–52	50–52	60–62	4L	200/120A	5XL

Why Asian sizes “run small”

Chinese labels follow GB/T 1335: 170/92A means a 170 cm tall body with a 92 cm chest. Graded to that body, a garment marked L fits roughly a US M. When we cut for your market we grade to your spec, not to the label.
